Parking and Storage

We remind you that the association has a number of storage, parking spaces and garage spaces available. Email styrelsen@lundenisollentuna.se, or leave a letter in the box on Pilvägen 100 if interested! Also redundancies go through the board.

Communal property

Lately it has been really dirty in the garbage room. That's why we're starting to buy roughage with rinsing the floor and washing the bins 4 times a year. Remember that we are jointly responsible for our house. Costs for heating and cleaning have increased, and we can do something about it together. By keeping such costs down, we get money over to renovations and in the long run we may not have to increase membership fees and rents.

Upgrading and development

During the autumn, the stairs by the laundry room have been refurbished. Loose steps have been fixed and the concrete has been plastered. The pergola has been replaced at the end of the summer, the benches have been renovated and tables have built.

We have tests of new bicycle holders in the bicycle room for the high-rise building, under Pilvägen 84. Contact the board about you have feedback. Were they good?

Problems with laundry booking

We have had problems with booking times in the laundry room via the website. There was a problem with ours internet provider. It now works again.

Fire protection

Remember to test the smoke alarms at home! During the winter we many lights lit, and a fire spreads rapidly. Press the test button now directly! This autumn, we underwent systematic fire protection, and then emptied everyone stairwells on carpets, prams and more. Thank you all residents who helped make the house safe to live in!
