Cleaning in the laundry room

The property owners will replace the cleaning equipment in the laundry room regularly so that it becomes easier and nicer to keep clean. Your neighbors will thank you if you remember to sweep and wipe the floor and clean the filter in tumble dryers and drying cabinets. Also close the windows after you.

The clubhouse is closed

Due to the corona pandemic, we have chosen to close the clubhouse for rent. The will be closed for the time being - but at least until 1 July. We have also discovered a water leak in the roof there and will need to make repairs before it can be used publicly.

Tenancies are repaired

Several of the tenancies within the association have a need for repairs. We've got started and some are already ready. You who are affected will be informed.

Spare parts for windows and balcony doors have been purchased

We know that many have windows where the outer and inner halves fall apart. They should normally be held together by a gray plastic detail (see picture to the right), but they have a tendency to crack. We have now purchased a larger number such spare parts to be able to replace them where needed. If you need someone like that changed - make another error report. The property owners come and change. Contact information is available at <https://lundenisollentuna.se/felanmälan>

Personal data management

We on the board have reviewed all personal data management in order to know that we are doing everything right according to the GDPR. We have summarized the routines in an information document for your accommodation and posted on the website.

Matters to the Annual General Meeting

If you are a member of the tenant-owner association, you can register motions for this year's AGM. If you want To do this, you must report your motion to the board before 1 March. The preliminary date for the meeting is 15

with kind regards, The Board BRF Lunden
